Liv Charley

Bio

My name is Liv Charley. I'm 22 years old. They tell me I'm a talented singer. The truth is, I just love music.

I'm physically incapable of not singing. People tell me this on a regular basis. If you hear confused warbling in a silent library, it's almost certainly me with a melody stuck in my head.

Unapologetic.

Music isn't just a hobby, or a job. It's the soundtrack to my life, the language of my soul.

I hope you guys can connect with my music and feel it the same way I do.

Yours sincerely,
Liv.

Origin of Liv

I grew up in Gloucester, England. I've been singing pretty much my whole life, in church choir, school plays, that sort of thing. After moving to Nottingham for university, I started writing songs - and at the start I really was just messing around and doing my own thing. Before I knew it, I'd produced and recorded an 8-track album, and I tried to teach myself how to mix my tracks.

I released this album June 2023, but I wanted to learn more, and I decided this is the career I want for myself. So I applied for a music production masters in Bristol, and here we are. I'm now working on my second and third albums - exciting times. These songs are close to my heart, and I'm so excited to share them with you soon..

Liv in the Lyrics

Step Back.

"All bets are off, gonna paint the town in red.
No more good girls, it's bad behaviour instead."

"If you know what's good for you, then you'll stay away...
Yeah shame on you, if you're fooled by this pretty face."

My Favourite Shirt

"I've wanted to reach out so many times.
But I feel like someone that you've left behind.
Maybe I changed into someone that you didn't like.
Guess that's okay, guess that's just life."

All I'll Ever Need

"You're pulling me in, and you see the tension,
Too much pain, without a reason why.
You know there's things I'd rather not mention,
I could say I'm fine, but you know that's a lie."

Before I Go M. a.D.

"You're looking at me, I'm laying on the bed,
I can see you planning it all out in your head.
Got me feeling something I can't satiate,
I like to play games, but baby don't make me wait".

WHAT'S NEXT?

Learning to Liv

What's Next?

Learning to Liv

Liv's next album is called "Learning To Liv", and is due to be released Summer 2024.

Stay tuned for upcoming photos, videos, and new music.
